## ALBERTA J.C. BONSPIEL HALL OF FAME CRITERIA

The **Initial Inductees** are mainly builders, organizers & lifelong participants who were instrumental in the creation of the original bonspiel in 1953 and/or were dedicated to the growth of our great event in its early years.

The **Millennium Inductees** are Alberta JC Bonspiel participants who have excelled in one or both of the following criteria:

- Participants of our event who have volunteered countless hours and years of service to promote, enhance and/or who made a unique contribution to the success and longevity of the Alberta JC Bonspiel.
- Participants of our event who were proficient enough to be multiple winners of their respective divisions (Mens/Ladies/Seniors/Open) since the inception of the Alberta JC Bonspiel (5 wins constitutes automatic induction).

NOTE: Participants who have been dedicated lifelong competitors will also garner consideration.

After the original 35 Hall of Fame members have been inducted, the Hall of Fame Board (comprised of representatives from the three major centers) may name up to 5 new inductees annually.

**Nominations for future inductees can be submitted for consideration at [www.jcbonspiel.ca](http://www.jcbonspiel.ca).**

## *Horserace*

A horserace competition involving 12 teams will be held Saturday night, beginning at 8:00pm. The object of the competition is to throw one rock closest to the button. After all 12 teams have thrown one rock the two teams having the furthest distance from the button will be eliminated. The remaining 10 teams will throw again and 2 more teams will be eliminated. We will continue until only 2 teams remain and those 2 teams will each throw a rock to determine a winner.

All teams competing in the bonspiel will be eligible to qualify as one of the 12 teams to compete in the horserace. Immediately following each team's first game Friday night, one rock will be thrown and measured. The 12 teams who are closest to the button will then compete in the horserace on Saturday.

Each team shall designate one member of their team to be the shooter. The shooter must remain the same person throughout the qualifying and the horserace. A broom holder and sweepers are permitted, but must be members of the team. No re-throws will be given for a rock that "junks up".

Rocks will be measured from the button. All rocks coming to rest between the back line and hog line will be measured. If during the horserace, 3 or more teams fail to get their rock in play (between the backline and the hog line) then those teams would re-throw to determine the teams to be eliminated.

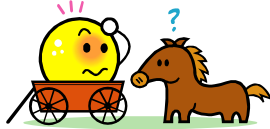

In the horserace, the order in which teams throw will be determined by the distance of their previous rocks. The team with the furthest distance will throw first and the closest will throw last.

In conclusion with the horse race, we will conduct an exactor wagering pool. A \$5.00 wager will allow the bettor to select "THREE" 2 TEAM COMBINATIONS. The winning bettor or bettors will have selected the 2 winning team in the correct order of finish. The total amount wagered will be split as follows:

- Winning team will receive 20%
- Runner up team will receive 10%
- Winning bettor or bettors will receive 70%

Wagering will begin at 5:00 pm Saturday and continue right up to the start of the horse race.

HORSE RACE OFFICIALS: **Miyanaga Family**
